

HANDWRITING SUMMER CAMP

A creative way to learn and develop handwriting skills

We are excited to announce our first UCP Handwriting Summer camp. Our handwriting summer camp will be utilizing the Handwriting Without Tears® program curriculum which utilizes a hands-on and multi-sensory approach to writing. Our summer handwriting programs will be provided on an individual and small group basis this year utilizing the Handwriting Without Tears® program as well as individualized instruction based on your child's specific needs. The Handwriting Summer Camp will be offering a six-week session for children from Pre-Kindergarten through 2nd grade. Each session will focus on different skill areas that match the child's readiness for handwriting.

Each daily session will consist of:

- ✓ Handwriting stations
- ✓ Fine-motor warm-up
- ✓ Group instruction using the HWT materials
 - ✓ Handwriting practice time
- ✓ Follow-up activities for parents to do at home

If your child is entering Pre-K, Kindergarten, first or second grade in the fall and you are concerned about their pre-writing skills, our Summer Camp readiness program may be just right for your child!

"Handwriting is a foundational skill that language use, and critical thinking." HWT can influence students' reading, writing,
